

Instructions for Online Consultation

Install **ZOOM Cloud Meetings** on your device for online consultation. Live consultation has been integrated with Zoom, a video telephony software program.

Go to www.dnortho.com

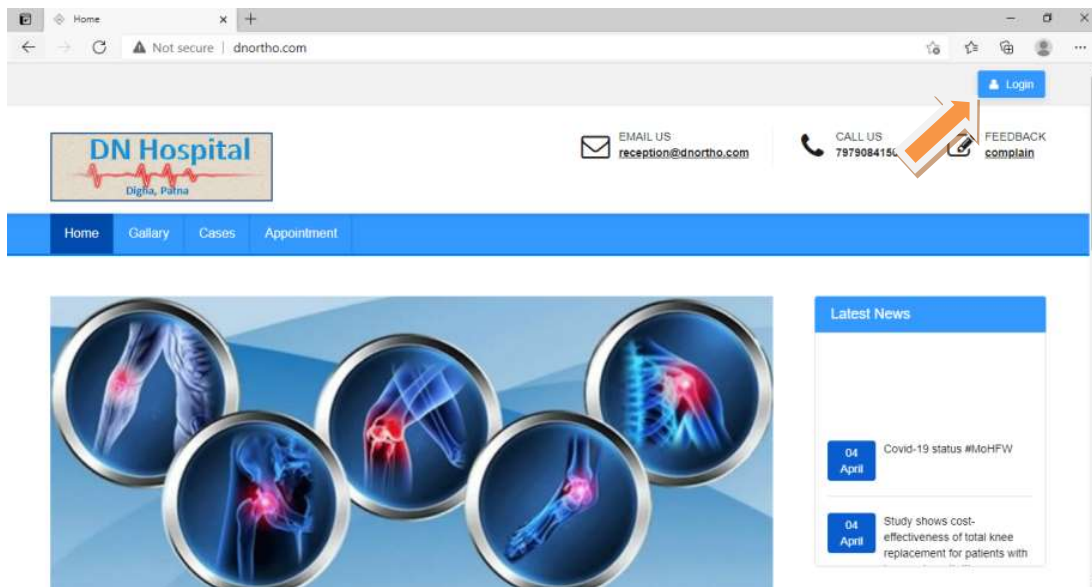

Click on *Appointment* tab

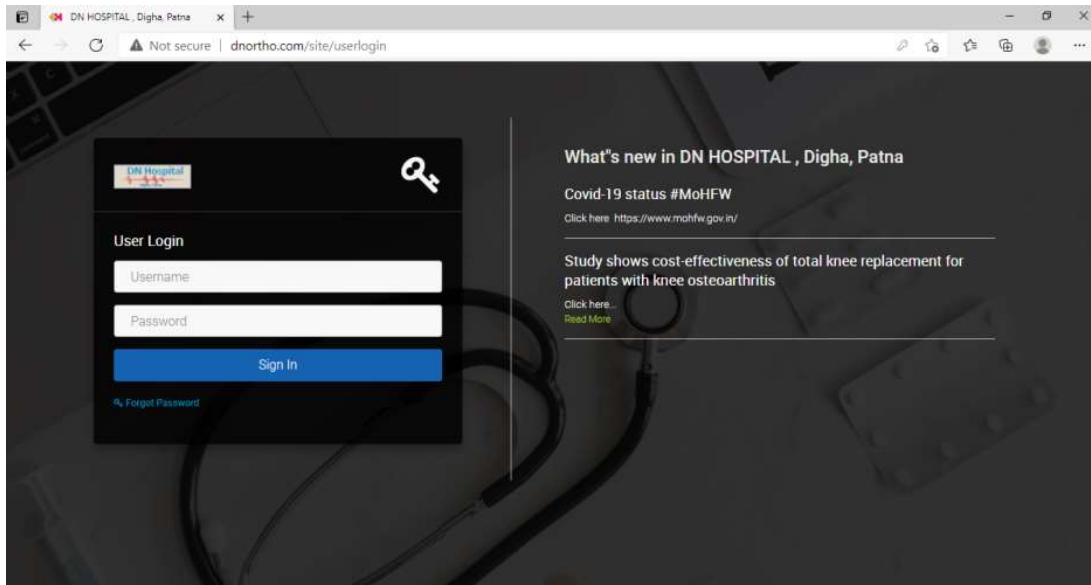

Fill the form and click “*send request button*”. Upon confirmation, we will send your login credential on your registered email id/phone.

The screenshot shows a web browser window with the URL `dnortho.com/form/appointment`. The page features the DN Hospital logo and navigation tabs for Home, Gallery, Cases, and Appointment. The main content is a "Make An Appointment" form. It has two sections: "Patient Appointment" with radio buttons for "New Patient" (selected) and "Old Patient"; and "Patient Information" with fields for Name, Email, Specialist, Date, Gender, and Phone. A "Message" field is also present. A blue button at the bottom right says "SEND YOUR REQUEST", which is pointed to by a large orange arrow.

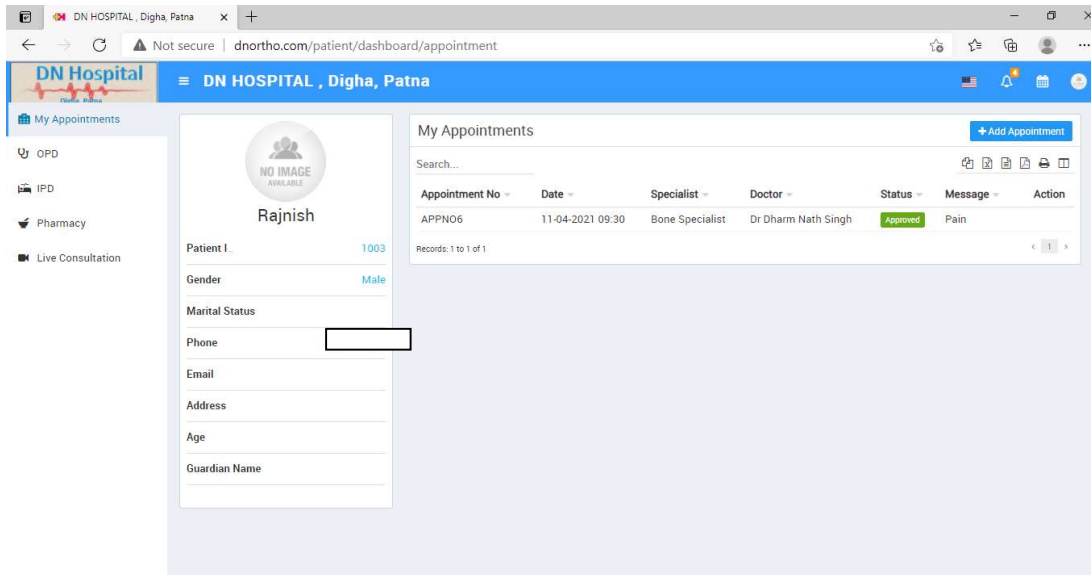

Click *login* tab

Fill login credential sent on your email id or phone no and click *sign in* tab

Login to see your home page / dashboard. Check your appointment in *My Appointment* section.

At confirmed time, click “*live consultation*” tab on left side and then click on **join** button on the right side. Your online consultation will start
